## SCOPE NOTE

The Blacks in film and television collection contains approximately 900 articles dating from 1960 to 1990. The collection has been arranged in four series: Film, Personalities, Television and General; in each series the articles have been ordered chronologically beginning with earliest available dates – materials that have no date (n.d.) are placed at the end. The articles discuss popular films throughout the period as well as little known films and television programs. Also included is information on awards winners for the Oscar, Emmy and NAACP Images awards.
