USGS 6' MAPS

Last updated 2/09

NOTE: This series covers ONLY Los Angeles county. Consequently, we will keep up to 3 copies in REFERENCE and 3 copies in REGULAR.

All changes to this document are automatically stored as different versions. See File>Versions for more information.

As of 7/05 imprint date will be shown as a reprint date in the call number and on inventory. Maps received before this date may not show imprint date in call number or inventory.
