“Raising the Impact of Research, Scholarship and Education Through Openness”

As part of a UC tour, Nicole Allen & Nick Shockey of the Scholarly Publishing & Academic Resources Coalition (SPARC) are coming to UCSB to talk to students about the Open Educational Resources.

Thursday, May 15  
UCSB Library, Classroom 1575

12 pm: What Are Open Educational Resources (OERs)?
Nicole and Nick will offer an introduction to openly licensed documents and media for teaching, learning and research, including open textbooks. Bring your lunch.

1 pm: Student Forum
Share your concerns so that Nicole & Nick can represent UCSB students as they advocate for open access to textbooks and research data. Refreshments provided.
