

**American Radio Archives**

**Paul Pierce Collection**

Acco folder binding with a series of scripts written by Paul Pierce for CBS. Exploring Radio and Americans at Work were local KNX - CBS programming that ran weekly. Some of these were 30 minute programs others were short inserts. An 8x10 B&W photo is inserted at the front folder, shows Paul Pierce and Ginny Simms in front of CBS marquee, "Planter's Peanuts Present 'What's on your mind' 6 PM." Autographed by Ms. Simms.

Paul Pierce also wrote for Lights Out, produced and directed Stars Over Hollywood, directed Wild Bill Hickok, and produced for Mischa, The Magnificent.
